Wednesday Challenge Form

Group Members: Elisabeth, Jaden

Problem Statement: Try to improve and create the gadget from last weeks winner

Approach: We cut out a spiral shape out of cardboard and decided it wouldn't work so we cut out a four leaf clover type shape out of cardboard then taped it to the top of the straw. Then we presented it.

Solution: they created a functional gadget and presented based on what the judges liked.

Lessons Learned: Build and create an idea that came from someone else
